Multi BASE 11-13.3

Lightweight notebook case with protective function

Live smart with MULTI BASE! The handy clamshell case protects your notebook perfectly thanks to the cushioned notebook compartment with metal wire frame. This lightweight notebook case guarantees flexible mobility - both professionally and privately. Give your life a little colour. As well as black and grey, the case is also available in red.

Your 11-13.3" notebook is not only optimally protected, it can also be fixed securely in the compartment using a strap. The front pocket provides space for accessories. So all your important things are handy at all times. The shoulder strap is removable. Thanks to its comfortable carry handle, the case is comfortable to hold and can be instantly fixed to the trolley using the integrated strap – the smart case from the lightweight class!
